8. Grab this chance to join the newly revamped Rance Lee Mentorship programme

With the initiation of our CUHK alumnus Mr. Sai-Yung Lau and the generous funding support of our CUHK alumni Mr. Albert Wu and Mr. Philip Li, this programme has been restructured.
The group-to-group mentor-mentee model, which is comprised of senior mentors, alumni mentors and student mentees, will be adopted. With the support of alumni mentors, a new element of this programme, it is believed that the bonding within a group or among WYS members will be stronger.

We are excited to share that a number of alumni mentors from various industries, namely banks, insurances, education, medical care, architecture, start-ups and so forth will join hand with senior mentor to play a role in this programme.

This programme aims to promote a multi-functional social networking for
- Providing practical advice and assistance
- Sharing information and interests
- Nurturing close friendship and emotional support

Funding support at HK$3,000 per annum for each group will be provided to facilitate the group activities. This programme offers a lifelong membership for all the participants. It is now open for all WYS students to enroll.

Should you be interested in it, please click this link to register. For details, please check out College website https://www.wys.cuhk.edu.hk/whole-person-development/mentorship/
