We experienced a green start of the new academic year with Rooftop Farming and new initiative by Green Team – Bulk-buy Shop.

Members of Green Team completed soil preparation in the summer for a group of almost 30 farmers recruited in the first term of 2022/23 to carry out organic farming at College Rooftop Garden in East Block. The farmers sowed the seeds after attending a briefing session conducted by Professor Kwai-cheong Chau (鄒桂昌教授) and Green Team members to acquire foundational knowledge and basic farming skills. They were all so excited when harvesting sweet potatoes planted last term. We are sure the giant tomatoes, cherry tomatoes and corns will be well taken care of by these passionate farmers. They could all enjoy the fruits of their efforts in a few months!

Green Team also kick-started a new green initiative “Bulk Buy Shop” promoting “Bring-your-own-container” and “Zero-packaging”, with an aim to encourage students and staff members to reduce waste conveniently. They offer daily necessities and some groceries (noodles, pasta, seasoning) at the moment. Other than the obvious reason of promoting environmental friendliness, it is also cost-efficient to try out something new with small portion and buy more if it does suit you. We do encourage you to take a look at the product list and support our students’ green initiatives.

If you missed their soft opening on 8th – 9th Sep, follow their Instagram (https://www.instagram.com/green_team.wys/) for the next round.
2. Mid-autumn Festival Celebration at Hostel

Warmest welcome to all our residents! We dedicate to making the hostel home for each and every one of you. Thanks to Resident Tutors and Resident Association, they arranged Mid-autumn Festival Celebration on 9th Sep to let every resident enjoy themselves at hostel, while better understand the local culture.

Resident Association has set up amazing lanterns decoration to enhance the festive atmosphere. Resident Tutors prepared festive food for residents to appreciate the full moon.

Resident Tutors and Resident Association will organize more floor gatherings and hostel activities in upcoming term. Feel free to talk to them if you would like to have some inputs or even help organizing it!

The College is collaborating with Pantheon Chambers to offer a Mini-pupillage Scheme which is designed for students from Faculty of Law. During the 3-month period, students will be asked to conduct practical tasks, such as case summaries, legal research, shadow barristers, meet with clients, and attend court hearings (observation, taking notes). This could be both in person and remotely.

If students impress during the 3-month period, and Pantheon wish to retain students as mini-pupils within the pool (and students wish to stay on), students may be contacted beyond the end of the 3-month period for additional work. Following completion of the scheme, feedback and reference letter (upon request) will be provided for all students.

9. Grab this chance to join the newly revamped Rance Lee Mentorship programme

With the initiation of our CUHK alumnus Mr. Sai-Yung Lau and the generous funding support of our CUHK alumni Mr. Albert Wu and Mr. Philip Li, this programme has been restructured.

The group-to-group mentor-mentee model, which is comprised of senior mentors, alumni mentors and student mentees, will be adopted. With the support of alumni mentors, a new element of this programme, it is believed that the bonding within a group or among WYS members will be stronger.

We are excited to share that a number of alumni mentors from various industries, namely banks, insurances, education, medical care, architecture, start-ups and so forth will join hand with senior mentor to play a role in this programme.
This programme aims to promote a multi-functional social networking for:
- Providing practical advice and assistance
- Sharing information and interests
- Nurturing close friendship and emotional support

Funding support at HK$3,000 per annum for each group will be provided to facilitate the group activities. This programme offers a lifelong membership for all the participants. It is now open for all WYS students to enroll.

Should you be interested in it, please click this link to register. For details, please check out College website https://www.wys.cuhk.edu.hk/whole-person-development/mentorship/
