Sunny Review
1. Sunny Living Week 2022
Following the success from previous years, the well-received Sunny Living Week was held again in October this year, offering different new activities to train students’ bodies, mind and spirit, and encourage them to contribute to the environment and society.

The Sunny Living Week was kick-started with Sunny Rowing Race on 17th Oct. Ms. Sharon S.Y. WONG (黃倩影女士), Vice-chairperson of Sunny Sports Committee and Associate Deans of Students, delivered the opening remarks and encouraged students to exercise regularly and lead Sunny living. A total of 31 teams of students and College members participated in the race. The nonstop cheers from their fellow students motivated the participants to keep rowing faster and faster. Everyone got sweaty, tired but enjoyed the race a lot.
Another group of Sunnies began their healthy and green living by joining **Vegan Fig Tart Baking Workshop**. Café Caterer, Ms. Mable H.K. WONG (黄可喬女士) taught students how to use plant-based ingredients to make yummy tarts. Figs were chosen for the toppings because they are seasonal in October. Figs are also rich in fibers and antioxidants to allow us to stay young, healthy and fit.

This Sunny Living Week, we have invited awardees of Self-Motivation Fund to share their learnings again. Ms. Man-yiu CHUNG 鍾敏瑤 (Psychology/4) and Ms. TING Yuet 丁悅 (IBBA/4) taught fellow students how to make elegant mosaic lamps at **Turkish Mosaic Lamp Workshop**. By sticking the mosaic glass tiles and beads on the lamps...
piece by piece carefully and with full concentration, it calmed students’ mind and soothe their soul. The mosaic lamps also bring students great sense of satisfaction.

Another way to show our love to the nature is through upcycling. Some Sunnies joined the Coffee Scrubbing Soap Workshop conducted by our alumnus, Ms. Kiki W.K. CHAN (陳煒琪女士). Participants learnt how to make their own coffee scrubbing soap using coffee grounds collected from our College café. Café Caterer, Ms. Mable H.K. WONG (黃可喬女士) also shared with students about the uses of coffee grounds at the workshop. Used coffee grounds are now available at our Café. Students are welcome to pick up some to support upcycling.

Promoting a sunny lifestyle takes collective efforts. Sunny Market was held on 21 Oct with different activity booths to share the important message to the students, including Bulk Buy Shop and DIY Potted Plants booth from our Green Team, and Darts Game from our Sports Association. Students could also calm their mind at the Scented Wax Tablet booth or purchase organic vegetables, fruits and natural products at the Organic Farm booth.
Hiking is one of the best ways to immerse ourselves in nature. While enjoying the beautiful sceneries in Northeast New Territories, our Sunnies have also taken the opportunity during Eco-cultural Tour: Hakka Culture @ Kuk Po to learn about the history, culture and development of 300-year-old Hakka Community, as well as the influences of climate change. Led by Prof. Kwai-cheong CHAU (鄒桂昌教授), Chairperson of College Campus Environment Committee, participants gained a better understanding on the indigenous knowledge of Hakka people and how their wise use of natural and cultural resources shed light on sustainable development.

It is our belief that the sunny spirit has seeded in Sunnies’ mind and the end of Sunny Living Week marks the beginning of students’ sunny journey in their lives. With the spirit of Sunny Living in mind, we will always stay fit, energetic and positive, hence be ready for different challenges in life!

2. College Forum: Myths and Facts about Exercise and Health 運動科學是與非
(Speaker: Professor Lobo H.T. Louie 雷雄德教授)
The third College Forum of this semester, entitled ‘Myths and Facts about Exercise and Health’ was conducted by Professor Lobo H.T. Professor Louie shared a series of commonly asked questions related to sports, exercising and health, and urged students to keep regular exercises to keep a healthy body and mindset. He also gave some advice on suitable exercises in different circumstances.

We were grateful to have Professor Kelvin K.F. TSOI (蔡錦輝教授), Associate Professor, School of Public Health and Primary Care, and Dean of Students, Wu Yee Sun College, for moderating the Forum.

3. Mini-pupillage Scheme Introduction Session by Mr Owen TSOI (蔡仲文先生)

4. UrHeard is launched!

The Office of Student Affairs has newly launched the mobile app “UrHeard” to support peer networking among CUHK students. With this mobile app, students can connect with a network of peer listeners from different academic disciplines with rich U-life experience, and consult their advice on a wide range of topics including academic study, university life planning, personal wellness and future development.

Through the initiative, it is hoped that an inviting space can be created for students to interact, support and learn from each other, maintaining the proximity among students in the campus community under the new normal.

The beta version of UrHeard mobile app is now available on:

App Store (iOS users): https://apple.co/3LTLDJW

Students who have any enquiries regarding the “UrHeard” mobile app, please contact the Office of Student Affairs at lces@cuhk.edu.hk for more information.
