3. Yoga Class and Fitness Training Workshops
Regular exercise can help increase our fitness level and improve our overall well-being. This term, some Sunnies joined Yoga Class to stretch their bodies and improve their mobility, while some Sunnies opted to join High-intensity Interval Training (HIIT) to burn extra calories or Core Training to improve their balance and stability. Everyone had an enjoyable time.

4. Service-Learning Programme – Service for Ethnic Minorities

The Service-Learning Programme – Service for Ethnic Minorities was conducted between September and November. Before the service started, students had participated in pre-service training which was held by Christian Action (基督教勵行會) to get to know more about the needs and the cultural background of service users.

After the training, students had to implement what they had planned to do with the ethnic minorities children for increasing their understanding of different culture, enhancing their self-confidence and also the racial harmony.
At last, we invited ethnic minorities youth to visit CUHK, 16 participants joined our guided tours to get a glimpse of the key attractions in our campus. Students also conducted a small sharing about their majors, student associations and hall life to the participants, aiming to encourage them to find out their study and career path.

5. 文學散步遊中上環 Literary Walk in Central & Sheung Wan

We were grateful to have Ms. Hio-Tong CHIO, who is a famous writer, for guiding students to have literary walk in Central and Sheung Wan. At the beginning, Ms. Chio guided the students to read an article, and let them immerse themselves in the real environment of the literature scenes in order to better understand the contents of the article as well as the feelings of the writer. After that, Ms. Chio asked the students to observe and take record of the streets through literary walk and also to try creating modern Chinese poetry, which strengthened students' understanding of literature appreciation.
